

**\*\*Attention Parents\*\***

Just a friendly reminder if your child brings a lunch from home, a milk from the lunch room is not included as part of their lunch. Milk is considered an ala carte item and your student's account will be charged \$.45 per milk. Per school policy an account must have a positive balance to be able to charge ala carte items. A water fountain in the lunch room is available for all students.

A milk is included as part of a reimbursable school lunch or breakfast only.
